# Purchase Terms and Conditions

**Waiver of Liability:** Medithera products are not intended to be used to diagnose, treat, cure or prevent any disease. Medithera products are not intended to replace conventional medical treatments, but are to be used as a supportive and complementary application. Although medically approved in Europe, Medithera products have not been approved by the FDA. Please contact your doctor first when you have an existing health problem.

The undersigned releases Body Fields USA and its independent consultants from any claims, demands or legal actions and legal costs from any personal injury or death deemed as a result of a Medithera product. By signing this you confirm that you agree to the terms & conditions.

It is understood and agreed, as a part consideration hereto, that:

1. The Purchaser understands that the 30 day money back guarantee is applicable only for purchases of the Medithera system or Medithera pen. The 30 days begin the day the unit is received (signed for) and ends exactly 30 days from that date.
2. The Purchaser understands that the three year factory warranty covers replacement or repairs of parts or components which fail due to faulty workmanship or faulty material. The Purchaser understands that the warranty does not cover: normal wear and tear, damages due to faulty handling and misuse by the buyer or a third person, damages due to other circumstances, e.g. opening the control unit. The invoice also acts as the warranty document. When making a warranty claim, please submit a request for repair or exchange by email to [info@bodyfields.com](mailto:info@bodyfields.com), providing the invoice number and serial number of the product(s). Instructions will be by email how to send it back to the Medithera service department in the US.
3. The Purchaser understands that (A) ElectroMeds and BodyFields makes no medical claims whatsoever regarding the use, results, or effects on the Medithera product(s), and (B) some conditions require the supervision of a health care practitioner.
4. Purchaser acknowledges receipt of a duplicate of these Purchase Terms and Conditions.
5. It is understood that the foregoing constitutes the whole Purchase Contract between the parties, and that no condition, representation, or warranty shall affect this transaction unless contained herein.
6. In the event of a return of Medithera products within the 30 day money back guarantee the Purchaser acknowledges responsibility for destruction, loss, soiling, or any damage to the Medithera product(s) from any cause, and will take all necessary care in protecting and maintaining the product(s). The Purchaser will be charged a refurbishing fee that will not exceed the total unit price and depends upon the extent of damages.
7. Purchaser agrees on paying the return shipping charges.
8. The Purchaser understands that the plastic covering cannot be removed from the Medithera before the 30 day money back guarantee is over. Removal of the plastic covering will result in ownership and cannot be returned.
9. An \$80.00 restocking fee is applicable in the event of a Medithera System return. A \$25.00 restocking fee is applicable in the event of a Medithera Pen return. Refurbishing fees apply if the product(s) is not returned in good order, clean in the original packaging and with all the original forms.
10. The Purchaser approves this contract and authorizes Body Fields USA Inc. to charge their payment(s) to the credit card (I understand that the credit card will be processed through Body Fields USA Inc.'s Credit Card Account).
